

## M8 male 0° A-cod. with cable shielded

PUR 3x0.34 shielded bk UL/CSA+drag ch. 3m

Male straight M8, 3-pole shielded

with cable sleeves

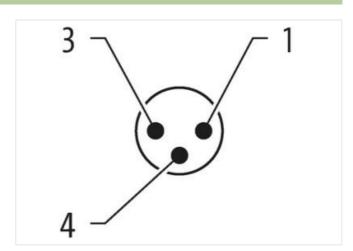

Plastic housings with good resistance against chemicals and oils.

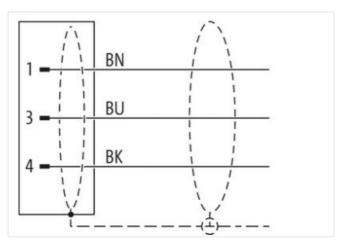

The resistance to aggressive media should be individually tested for your application. Further details on request. Further cable lengths on request.

| Important installation notes                        |   |
|---|---|
| Note on strain relief                               | Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties.   |
| Note on bending radius                              | <b>Attention:</b> Observe the permissible bending radii when laying cables, as the IP protection class can be endangered by excessive bending forces. |
