

## Adaptor M8 on top A-cod. / MSUD valve plug BI-11mm

Without electronics 60 V AC/DC

Form BI (11 mm) – M8, connector top entry max. 60 V AC/DC without components 3-pole

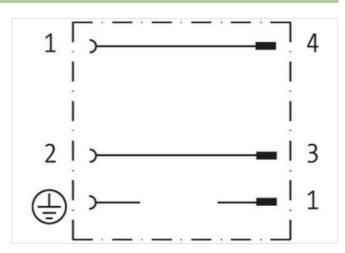

Plastic housings with good resistance against chemicals and oils.

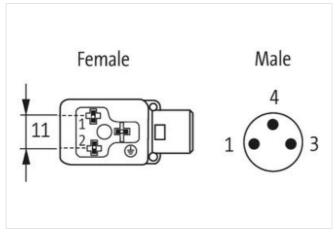

The resistance to aggressive media should be individually tested for your application. Further details on request.

| Important installation notes             |  |
| Note on strain relief                    | Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties.  |
| Note on bending radius                   | Attention: Observe the permissible bending radii when laying cables, as the IP protection class can be endangered by excessive bending forces. |
